Major Restorative services include those services that restore existing teeth. These services are utilized only if a tooth cannot be restored with an amalgam, acrylic, synthetic porcelain or composite filling restoration. Inlays, onlays and crowns are typical examples of major restorative services.

Major Restorative Services

Other Major Restorative services include:

- **Periodontal services** include those services involving the maintenance, reconstruction, regeneration, and treatment of the supporting structures surrounding teeth, including bone, gum tissue and root surfaces.
- **Prosthodontic services** include both removable and fixed dentures (bridges) replacing missing teeth.

Note: Orthodontic services are not covered under the Retiree Dental Expense Plan.
